DE MAUPASSANT ON THE WAR. Guy de Maupassant, the brilliant, rise in rebelifon against their governments at the word war. He quoted "a glaver artist in such matters, a slauritering genius, M. de Moltge—note that the name is that of a great German general Galli-med—as replying thus in an address by some near e delegator.

The Allies that the building matters are larger in the sunshine among buttercups and dandelicus of a scarcely hagher in intelligence is considered to that union the minute terants of that union decrees a decree of the contract of th

-mote that the name is that of a great therman general Callienced—as replying thus to an address by some pee a delegator.

"War is hely and of divine lasting than, it is one of the sarred laws of nature. It keeps alive in men all the great and noble sentiments, honor, disinterestedness, virtue, courage. It one word, it prevents them from falling into the most helical materialization.

Here we have the German deciring at 18.70 which forty-five years does het seem to have changed. Let us read De Maupassant's answer to it.

"To collect a berd of some 18.000 men; march night and day without reaghte to think of nothing the adventure. The adventure is the foreign and the trural lane, and are all the first of rainon grow green again with grass, and emerge in the trural lane, and are of nothing to down in mile, live like binness in a continual besoment, hilloge fowns, harn villages, ruin nations then meeting at other similar conglomeration of his man first, rush upon it, shed lakes of blood over plains with potended flesh mangled with analys and shoody earth, pile up healts of slain; have arms and lags lakewn off, brains scaling of the world. It never as blancher of the world. It never as blancher of the world. It never as the control of the world. It never as the more of the world. It never as the control of the world. It never as a finite to anyone, and perish, at the corner of some field.

## Tastes good, is good

Not everything that tastes good is good for you, but when you eat

# SHREDDED WHEAT

With Peaches and Cream

you treat yourself to palatejoy and stomach comfort, and you get the maximum of nutriment with the least tax upon the digestion.

Heat one or more Biscuits in the oven to restore crispness; cover with sliced peaches and pour over it milk or cream and sweeten to suit taste.

Try it for breakfast Eat it for lunch Serve it as a dessert for dinner
